```
F#m A E B    F#m A E B
```

Verse 1:
```
F#m       A                  E
Take me to that special place
                B                  F#m  A        E      B
where all that matters is your holy presence
F#m              A
When trials, and doubt, and fear
       E         B              F#m
come raging in, I dont need to worry
             A                  E      B      A    B
because I know that you are near
```

Chorus:
```
F#m                      A
I'll move away from the shore
                    E
I want so much more
    B                       F#m
My lifeguard He walks on the water
                    A
Standing in the waves
                E
I will not be afraid
   B                     F#m        A      E     B
My lifeguard He walks on the water
```

Verse 2:
```
F#m        A                 E
Consume me with You Presence once again
     B               F#m       A        E     B
'Till all else fades away, but You
F#m        A                 E
And I will trust as You take me by the hand
    B           F#m      A       E    B    A    B
And lead me into deeper waters
```

Chorus:
```
F#m                         A
I'll move away from the shore
                    E
I want so much more
    B                       F#m
My lifeguard He walks on the water
                    A
Standing in the waves
                E
I will not be afraid
```

```
   B                           F#m        A      E
My lifeguard He walks on the water (Repeat 2x)
   B                           F#m
My lifeguard He walks on the water
```

Bridge:
```
F#m
Show me your way
             E
Show me your way
                                    F#m
Lead me to the promises that you made (Repeat 2x)
F#m
Show me your way
             E
Show me your way
                    B                F#m
Lead me to the promises that you made (Repeat 2x)
```

Chorus:
```
I'll move away from the shore

I want so much more
                             F#m
My lifeguard He walks on the water
                   A
Standing in the waves
                E
I will not be afraid
   B                           F#m
My lifeguard He walks on the water
                         A
I'll move away from the shore
               E
I want so much more
   B                           F#m
My lifeguard He walks on the water
                   A
Standing in the waves
                E
I will not be afraid
